Re: **In Re Rachelle Cathleen Jackson**
Docket No. **278692**
L.C. No. **02-174563-CA**

Henry William Saad, Chief Judge, acting under MCR 7.217 and MCR 7.219(I), orders:

This appeal was involuntarily dismissed on May 1, 2008, for failure to ensure the timely filing of the appellant's brief. The 21-day period for filing a motion for reinstatement expired on May 22, 2008. On July 29, 2008, appellant filed a letter to explain the delay in filing the brief. The Clerk of this Court docketed the letter as an untimely motion for reinstatement under MCR 7.217(D)(2).

The motion for reinstatement is **DENIED** for failure to show mistake, inadvertence, or excusable neglect as required by MCR 7.217(D).
